BEATEN ON THE MANHATTAN BEACH TRACK BY EARL KISER, OF DAYTON.

THE CYCLE MEET OF THE QUILL CLUB WHEEL-MEN PRODUCES A SURPRISE-COLUMBIA UNIVERSITY WINS THE HONORS

BANNER-THE WIND STOPS

RECORD-MAKING. The cycle racing season in the East was formally opened at the Manhattan Beach track yesterday fternoon. The attendance was large, the sport the weather. It was rather cool in the grandstand to those not heavily clad, and the wind blew almost traight down the homestretch, making recordbreaking out of the question. The races were held under the auspices of the Quill Club Wheelmen of America, and it was the opinion of the managers of the track that a better conducted meeting had

The officers of the club had taken pains to selec racing efficials with due care, and as a result there was not a hitch, and, while the entry list was one the largest ever seen in this neighborhood, the sport was started on time, and the last race had een finished before 6 o'clock.

E. C. Bald, the undisputed champion of '95, and by many considered the best rider in the country last year, failed utterly to sustain his reputation and was badly beaten in both the professional races. Earl Kiser was his conqueror in each, the man from Dayton showing a fine burst of speed in the homestretch and winning each race with something to spare. Thomas Eck, the trainer of Kiser, is under temporary suspension by the L. A. W., and was not allowed on the track to help his team, but after the races were over he had the laugh on those who chaffed him. Kiser is a compactly built young fellow, with black, kinky hair. He bore his honors meekly, and he seemed to be happy over being able to demonstrate to the public that he knew what he was about when he issued a challenge to race the winner of the proposed Baile-

Columbia University team easily carried off the banner for the club or university securing the most points. Hayes captured the novice race, while owell carried off the honors in the mile open, and Powell and Dawson had little trouble in winning the tandem contest. E. C. Hausman, of New-Haven, defeated Powell in the mile handicap, although the New-Haven man had an advantage of forty yards. There was only one accident during the day. Owen and O'Connor, of the Knickerbocker Athletic Club team, fell in the homestretch in the tandem race, but neither was severely injured. The attendance of pretty girls was unusually large, the majority of them going to the track on their wheels. Bald, paced by the black-and-white tandem, a col-

Bald, paced by the black-and-white tandem, a colored man in front and a white man in the rear, rode an exhibition half-mile in 56 seconds flat. Master Willie Hayes, of Newark, gave a clever exhibition of trick riding, which pleased the women and chlidren immensely. It was young Hayes's first public appearance, and he was loudly applauded. On the form shown yesterday the Columbia University team, unless some of the men go wrong, cought to have a comparatively easy time winning the intercollegiate championships to be held on June 5.

THE CYCLE SHOW QUESTION SETTLED.

A RECOMMENDATION TO HOLD TWO MORE NA-TIONAL EXHIBITIONS ADOPTED BY THE BOARD OF TRADE COMMITTEE.

The question as to whether there would be any more National cycle shows, which has vexed the bleyele manufacturers of the country for so long. has at last been practically settled. The Executive Committee of the National Board of Trade of Cycle Manufacturers held a meeting at the offices of the association, at No. 229 Broadway, yesterday afternoon, and after a long session decided to offer a resolution to the Board of Directors recommending that the association hold two National shows next

The shows, however, will be held earlier in the year, that in Chicago being held early in January and the one in New-York two weeks later. A meeting will be held by the Board of Directors to-morrow, when final action will be taken. It was also decided to reorganize the collection department, and to continue it on new lines and under the patronage of all the members of the Board. Among the manufacturers present at the meeting yesterday were A. L. Garford, R. Lindsay Coleman, C. W. Dickerson and C. S. Dikeman.

THE BALTUSROL TOURNAMENT. IMPROVEMENTS AT THE CLUB'S LINKS-MORRIS COUNTY CLUB CONTESTS.

The spring tournament of the Baltusrol Golf Club Short Hills, N. J., will begin on Thursday of of Snort Hills, N. J., will begin on Thursday of this week. It will be continued on the 28th, 29th and 31st, and will be open to members of clubs be-longing to the United States Golf Association. All entries for the tournament close on Wednesday with the secretary of the club, Louis Kelier, No. 59 Liberty-st. Many improvements have been made upon the Baltusrol grounds since the winter. The play in the coming tournament will be over the original course of nine holes, upon which most of the work this spring has been concentrated. All approaches have been turfed, and sodded bunkers, five feet high, have been added to the defences of the second, third, fourth, eighth and ninth holes The eighth has also been further guarded by a sunken bunker. These obstacles, together with the natural hazards afforded by the lake, the gravel pit and the various streams and fences, will make the links a difficult one, even to the most skilled golfers

Persons who wish to play over the grounds at the time of the tournament, without taking part in any of the competitions, will have to confine themselves to the "red course" of nine holes, that they may not interfere with the regular matches. The Morris County Golf Club has announced its regular May tournaments, open only to its own

SHOOTING AT ELKWOOD PARK.

Long Branch, May 22 (Special).-A phenomenal lot of birds was liberated this afternoon at the Elikwood Park traps. Leander B. Campbell, an old-time pigeon shot, furnishes the birds, having recently ntracted with Messrs. Daiy and Chanfrau to that effect. He will aim to procure the best birds in the country. Notwithstanding the quality of the birds, Phil Daly, jr., grassed forty-one straight. He, however, did even better than that, having killed his first fifty-three birds. Four of the latter number dropped out of bounds, as the score shows. There were five ten-bird matches, one twenty-five-bird match, three double bird matches and a missand-out contest. Daly won seven out of ten. The

NEW-YORK AND CLEVELAND BREAK EVEN. A VICTORY AND A DEFEAT FOR EACH YESTER-

DAY. Cleveland, May 22.-One magnificent game and

one that was a farce took place to-day. The first was a pitchers' battle between Cuppy and Rusie, and Sockalexis won it in the last half of the tenth inning with a single when Tebeau was on third and two were out. The second was made a farce by the miserable playing of Wallace and Childs. The Indians could not touch Doheny. Young was batted out of the box in the third inning and Wil-son pitched a pretty game thereafter, but poor fielding spoiled it. Scores:

It was Murphy who furnished to one of the newspapers the facts in the case, which were published prematurely on Friday. Not long ago The Tribune received complaints that manuscripts which had been sent to Murphy's bureau in response to advertisements had not been paid for or returned.
